👤 ABOUT ME

A junior Front End Developer finishing a Web Development bootcamp at BeCode. Passionate about design and seamless user experiences, with strong foundations in languages as HTML, CSS, Javascript, and libraries such as React.js and Node.js.

Eager to gain practical experience, discover and contribute to new projects, apply my skills and grow professionally in a dynamic and collaborative environment.

Currently looking for an internship or job opportunity.

📁 PROFESSIONAL EXPERIENCE

BeCode

Junior Web Developer

01/2024 – present | Brussels, Belgium

- Solved algorithmic challenges
- Developed REST API's
- Developed full stack web applications as a Chat Rooms
- Contributed in team projects
- Focused on front-end development, implementing responsive and interactive UI/UX

Brussels Beer Project

Beerista

06/2021 – 06/2023 | Brussels, Belgium

- Provided recommendations to customers on a wide variety of craft beers, while informing about brewing process, beer styles, and tasting notes
- Organized and facilitated beer tastings and events
- Through friendly and attentive service, built strong customer relationships, leading to customer engagement and positive reviews

Ryanair

Cabin Crew

08/2018 – 06/2021 | Brussels, Belgium

- Ensured passenger safety and compliance with aviation regulations by conducting pre-flight briefings and safety demonstrations
- Managed in-flight services, including meal and beverage distribution
- Handled emergency situations calmly and efficiently, such as medical emergencies, ensuring the well-being of all passengers
